The Grand Circuit season, opening at North Randall track July 7, is expected to be the biggest one in the history of the light harness racing game. Three hundred and twenty-one horses are entered in the opening week events. All of the old drivers and many new ones will be driving the stars and comers. Winfield Kinnam, secretary of the Grand Circuit and also

of the North Randall track, believes that the entry lists of the meetings in the other ten cities in the circuit will be record breakers also.

RIFLE TEAMS IN INTER-ALLIED MEET WILL COMPETE FOR PERSHING TROPHY

The Pershing trophy.

Army rifle teams entered in the matches at the big inter-allied games now on at Joinville, France, will shoot for the handsome Pershing trophy. The trophy is of bronze and depicts an American doughboy "wading in" with his automatic. In his other hand he carries the deadly trench knife, the weapon called into play as a last resort at close quarters. The allied meet, staged in a mammoth wooden arena, named Pershing stadium, in honor of the commander of the U. S. forces in the war, has proved a great success. It is the first big track and field meet held since the war, and the biggest one staged since the Olympic games in 1912.

MARINE STRIKE TIES UP COAST SHIPPING

NEW YORK, July 11.—More than 200 coastwise vessels were reported tied up in New York harbor tonight as a result of the strike of marine firemen, water tenders and oilers, who walked out yesterday in an attempt to enforce demands for a wage increase of \$12 a month.

During the day the walkout spread to vessels of the United Fruit company. Some of the smaller trans-Atlantic freight lines also are affected and the Seamen's Union claims to have received word from England that American vessels reaching their ports with non-union crews will not be unloaded.
